On drinking the wines of Bordeaux: “The French drink them young, so a Socialist government won’t take them. The English drink them old, so they can show their friends cobwebs and dusty bottles. The American drink them exactly when they are ready, because they don’t know any better.”

"I understood and I set out in '78 to find the best grapes, the best land to plant my vines on and the best wood. And I let my wines age for the right time before marketing them. These choices went against the trend of the period by – with the greatest respect for other people's choices – I always went my own way."

- Bruno Giacosa
